GROUP FITNESS CLASSES

DESCRIPTIONS

LES MILLS

BODYATTACK™

BodyAttack™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats. A Les Mills™ instructor will pump out energizing tunes and lead you through the workout – challenging your limits in a good way, leaving you with a sense of achievement.

BODYPUMP™

Using light to moderate weights with lots of repetition, BodyPump™ gives you a total body workout. Instructors will coach you through the scientifically proven moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own! You'll leave the class feeling challenged and motivated, ready to come back for more with friends!

BODYCOMBAT™

You'll punch and kick your way to fitness. This high-energy mixed martial-arts inspired workout is totally non-contact and there are no complex moves to master. A Les Mills™ instructor will challenge you to up the intensity and motivate you to make the most of every round. You'll release stress, have a blast and feel like a champion.

BODYSTEP™

A full-body cardio workout with a mixture of upbeat, rhythmic stepping including squats and lunge patterns to work the legs and buttocks. The result is a fun, uplifting, full-body workout with plenty of options so that everyone leaves feeling successful. We play invigorating, hit music and inject a whole lot of fun and personality along the way.

CORE™

A stronger core makes you better at all things you do, from everyday life to your favourite sports - it's the glue that holds everything together. All the moves in Core™ have options, so it's challenging but achievable for your own level of fitness. During the 30-minute workout, instructors guide you through correct technique as you work with resistance tubes and weight plates, as well as body weight exercises like crunches, and hovers. You will also get into some hip, butt and lower back exercises.

RPM™

RPM™ is a group indoor cycling workout where you control the intensity. It's fun, low impact and burns loads of calories. RPM™ is a great way to build up your sense of personal achievement. You can draw on the group's energy and find your rhythm in the music. You control your own resistance levels and speed so you can build up your fitness level over time. It's a journey, not a race!

GRIT™ STRENGTH OR GRIT™ CARDIO

Les Mills Grit™ series is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength and build lean muscle. Available as Grit™ Strength or Grit™ Cardio, this workout uses barbell, weight plate and body weight exercises to blast all major muscle groups. Les Mills Grit™ series takes cutting edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.

SPRINT™

Les Mills Sprint™ is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits. A high intensity, low impact workout, it's scientifically proven to return rapid results. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort.

FREESTYLE

PRIME MOVERS

A gentle, fully supervised, physical activity. Suitable for anyone who hasn't done exercise for a while. Safe for people with health conditions, like heart disease, diabetes and bone/joint problems.

LOW IMPACT CIRCUIT

Designed to get you moving through an assortment of low impact training and body or light weight exercises. These low impact classes are designed for any age and are perfect for working at your own pace.

STRETCH & RESTORE

Release muscle tension, improve mobility and increase flexibility in this restorative stretch class. This slower paced mobility focused session is designed to open your joints, lengthen muscles and leave your body feeling revitalised. Includes standing and floor work. All levels welcome.

YOGA

A workout for the mind, body and soul. A class with strong focus on safe alignment. Caters to people of all abilities.

PILATES

This type of exercise uses coordinated breath and movement to strengthen and stretch the body. It focuses on core strength and posture. Chronic back pain & other debilitating physical ailments will decrease as your range of motion and mobility improves. Re-align your posture with a focus on strength & toning.

POWER PILATES

Power Pilates is a more advanced Pilates class for those wanting to take it to the next level. A whole-body workout where your arms, legs, abdominals, back and buttocks will feel and see the benefits.

STEP

Using the height-adjustable step platform, you'll move your way through different choreography combinations to upbeat, fun music. This energising class promises to give you a fantastic cardiovascular workout.

CIRCUIT

Is the most efficient total-body workout in the world! This total-body circuit includes high intensity, calorie blasting intervals along with functional strength and sculpting station, designed to target and chisel the legs, the core and the arms.

DANCE / ZUMBA

An interval session with fast and slow rhythms, which is intended to tone and sculpt the body while burning fat. Music is the ingredient to Dance, following styles like Cumbia, Salsa, Mambo, Belly Dancing and loads more flavoured dances.

TOTAL TONE

An epic 45-minute ride that mixes on-the-bike and off-the-bike exercises for the ultimate cardio and toning workout. Take your ride to the next level. Proven to calorie burn!

BOXING

Learn the foundations of boxing from beginner to experienced, you'll work on basic punches, footwork, and combinations while improving your fitness, coordination, and confidence. Expect a mix of partner drills and light bag work, all in a supportive and motivating environment. No experience required!

BOOTCAMP

A full body group workout that combines high-intensity interval training (HIIT) and functional exercises. Participants are encouraged to push their limits while creating a supportive community within the class. Outdoor, weather dependent.
