GROUP FITNESS CLASSES

DESCRIPTIONS

FREESTYLE

PRIME MOVERS

A gentle, fully supervised exercise class designed for those returning to activity or managing health conditions.

LOW IMPACT CIRCUIT

A low-impact circuit using bodyweight and light weights. Perfect for all ages and fitness levels, allowing you to work at your own pace.

STRETCH & ALIGN

A restorative stretch class to release tension, improve mobility and increase flexibility through gentle standing and floor exercises.

YOGA

A mind-body class focusing on movement, breathing and safe alignment. Suitable for all abilities.

PILATES

A core-focused workout using controlled movement and breathing to improve posture, strength and flexibility.

POWER PILATES

An advanced Pilates class delivering a full-body workout to strengthen and tone the core, arms, legs and glutes.

ZUMBA GOLD

A low-impact dance fitness class with easy-to-follow moves and Latin-inspired music, designed for beginners and active older adults.

DANCE / ZUMBA

A fun dance workout combining fast and slow rhythms to burn calories and improve coordination.

CIRCUIT

A high-energy circuit workout combining strength and cardio stations to target the whole body.

CYCLE

Flow through the ride with uplifting music in this 45-minute class suitable for all levels. A cardio workout that helps you escape and leave feeling positive and energised.

TOTAL TONE

An intermediate 45-minute workout combining cycling with off-bike exercises for a powerful cardio and toning session.

BOXING

Learn boxing basics including punches, footwork and combinations while building fitness, coordination and confidence.

BOOTCAMP

A high-intensity group workout combining functional training and HIIT. Outdoor and weather dependent.

LES MILLS

BODYATTACK™

A high-energy cardio class combining running, lunging, jumping and strength moves like push-ups and squats. Fun, challenging and suitable for all fitness levels.

BODYPUMP™

A full-body workout using light to moderate weights with high repetitions. Build strength, tone muscles and improve endurance with motivating music and coaching.

BODYCOMBAT™

A high-energy, martial arts-inspired workout where you punch and kick your way to fitness. Non-contact, stress-relieving and seriously fun.

CORE™

A 30-minute workout focused on strengthening your core, hips and lower back using resistance tubes, weight plates and bodyweight exercises.

RPM™

An indoor cycling workout where you control the intensity. Low impact, calorie-burning and great for building cardiovascular fitness.

GRIT™ STRENGTH / GRIT™ CARDIO

A 30-minute HIIT workout designed to build strength, burn fat and improve fitness fast using barbells, plates and bodyweight exercises.

SPRINT™

A 30-minute HIIT indoor cycling workout combining short bursts of intense effort with recovery to deliver fast results.
